

Fachhochschule Dortmund

University of Applied Sciences and Arts

Dear future flatmates,

My name is Daniel Aboudi and I'd like to be your new flatmate!

I'm a 23 year-old student from Cameroon and I'm studying Electrical Engineering at FH Dortmund. At the moment I'm searching for a room in a nice WG. Your WG looks great and I'd love to meet you! I speak German, French and English and work as a student assistant at my university. I don't smoke and have no problem with pets; I don't have a pet myself though. I could bring a rice cooker to the WG and we could cook together if you like, I love cooking for many people.

If you could see me living with you, shoot me a text, send an e-mail or call me. I'd be really happy if you invited me to have a look at the flat and to get to know you personally.

My e-mail is xxx@xxx.com
and my phone number is 01xxx

I hope I'll see you soon!

Best wishes,
Daniel Aboudi

Dear future flatmate,

My name is Nina Redkov and I'd like to move in with you! You're looking for a flatmate and I'm looking for a room – perfect match!

I'm 21 years old and studying International Business at FH Dortmund. I work part-time as a waitress. I speak Russian, English and German. Because I'd like to improve my German, I'd like to talk in German with you, but if you want we can also talk in English. I'm from Russia and only started learning German a year ago to go to university here. I don't smoke and don't have any pets.

If you're looking for a flatmate who you can go out for a run with, who goes clubbing on the weekend with you and who likes to cook, just send me a mail or call me. I'd be really happy about hearing from you!

My e-mail is xxx@xxx.com
and my phone number is 01xxx

Contact me if you could imagine me as your flatmate. I'd love to meet you personally and have a look at the flat.

Best wishes,
Nina Redkov

Dear Tom,

I'm writing to you because of the room you are offering.

My name is Jitesh and I would like to be your flatmate. I'm a 25-year-old master student from India and I'm studying Project Management at FH Dortmund. I'm usually at the university, so I'll only be in the flat in the evening and at night. I use most of my free time to study and am a quiet person. I speak English and am currently learning German. I don't smoke and don't have any pets. I've got my own washing machine which you could use if you don't have one.

I'd be happy to hear back from you to get a look at the room and to meet you in person. Just send me a mail or call me.

My e-mail is xxx@xxx.com
and my phone number is 01xxx

Best regards,
Jitesh Patel
